[Formula 1 Qatar Airways Großer Preis von Österreich 2024 | June 28 to 30 at Spielberg | Stress-free and inexpensive travel to Formula 1 at the Red Bull Ring by bus, train, bike | "Take the bike" | "Take the shuttle" | Chance for tickets](#)

**There are various options for a relaxed journey to the Austrian Grand Prix at the Red Bull Ring. Fans should preferably use public transport. In the two previous years, the motto "Take the bike" was supplemented with the motto "Take the shuttle" at Spielberg. In addition to the tried-and-tested regional shuttles, supra-regional bus transfers are available with around 120 stops in several federal states. Traveling by train completes the versatile alternatives to your own car. All information about arrival, side events and tickets are available at [www.redbullring.com](http://www.redbullring.com).**

**Those who arrive early get there faster.** Motorsport fans from all directions will be making their way to the Formula 1 at the Red Bull Ring next week. It is advisable to arrive before 08:00 a.m., as traffic is expected to be heavier from Friday, June 28 to Sunday, June 30. **Details on how to get there by bus, train, bike and for everyone else:** [www.redbullring.com/en/events-tickets/formula-1/formula-1-arrival](http://www.redbullring.com/en/events-tickets/formula-1/formula-1-arrival).

**Take the shuttle!** As an alternative to the car, supra-regional bus transfers have been set up. On the race weekend (June 28-30), fans can hop on at over 120 stops in several federal states. Additional express shuttles will be in operation on GP Sunday. **Information on booking and the "F1 stops 2024" can be found at [www.redbullring.com/f1shuttle](http://www.redbullring.com/f1shuttle).**

**B for train.** The destination station for the Austrian GP 2024 is Knittelfeld. Connections from all over Austria and from neighboring countries can be found [www.oebb.at](http://www.oebb.at). Free regional shuttle buses will take you to the Red Bull Ring and back again after the race - from Friday to Sunday between 07:00 and 23:00, two to three times an hour (Sunday until 20:00). In addition, shuttle buses run at regular intervals from the Judenburg bus station and the Zeltweg sports center.

**Take your bike to the Grand Prix!** There is a Park & Bike parking lot at the Therme Fohnsdorf, which can be reached via the S36 from both directions via the Judenburg-Ost exit. Continue on marked cycle paths to the event site with three bicycle parking spaces.

**Reach your destination faster with a longer route - adapt your route to the traffic situation.** Participants in private transport should plan their route optimally and make full use of the seats, follow the signs on site and choose the recommended arrival routes. A traffic guidance system along the access routes facilitates access to the parking lots. A new feature is a central motorcycle parking area with biker lockers in the immediate vicinity of the race track.

**Camping for that festival feeling.** Campers who choose Wednesday or Thursday as their day of arrival will have no problem reaching their destination. For the best possible arrival distribution, campers will be guided by LED signs on the S36 Murtal expressway on Thursday. Departure is possible on Sunday from 20:00.
